

Dr. Scott!

Thanks again for  
coming to visit us!  
We listened to your CD  
all day and they  
danced like crazy!

They wanted to  
talk about you, all  
day so I let them  
draw some fabulous  
pictures of you, enclosed,

I'll send you more  
photos when they're  
developed!

♡, Edie, Kazay, & Shang
